

What are some safe websites? Make a list to keep near the computer!

Name: \_\_\_\_\_

**Directions:**

1. Ask teachers, family members, friends, and librarians to suggest safe websites.
2. Write the websites on the chart.
3. Cut out your list and post it near your computer.

### Top Ten Websites for Kids

1. [www.BrainPopJr.com](http://www.BrainPopJr.com) \_\_\_\_\_
